Date:
28th March 19 - HANDS ON BONE SAW WORKSHOP
29th, 30th March 2019 - PGITC-ORTHO CME

Dear Colleagues & Post Graduates,

We welcome you to Belagavi for an academic feast in Orthopedics. Department of Orthopaedics, KLE University's Jawaharlal Nehru Medical college, Belagavi and KLES Dr. Prabhakar Kore Hospital & MRC, Belagavi is conducting "PGITC - ORTHO CME" on 28th, 29th & 30th March 2019 under the auspices of KOA, IOA, MCI, MERTK & ICMR.

We have been conducting this Post Graduate Intensive Training Course since last 20 years & it has received a very positive feedback from participants every year. This course is designed to help Postgraduate students to improve their orientation and preparation for Postgraduate clinical examination. As we all know, it is better to be grilled now than in the final examination!

The course includes long cases, short cases, ward rounds & lectures by reputed teachers who are examiners for Postgraduate & DNB examinations.

A new addition to this year PGITC is the "HANDS ON BONE SAW WORKSHOP" on fracture fixation, by renowned **80 Faculty**.

To reap the benefit of this intensive preparatory course, we request you to attend the course positively. Early bird registration fee is Rs. 2000/- only, which includes breakfast & lunch for 3 days. Delegates have to arrange their own Travel & accommodation during their stay in Belagavi.
